

School Fundraisers

Skaterz fundraising program is designed to be convenient and more profitable for the schools. Schools will receive 25% of the total income from admission, skate rental, snack bar & novelty.

For your convenience, Skaterz has 2 packages to choose from:

Package #1: \$6.00
Includes admission & either skate rental.

Package #2: \$8.00
Includes admission and either skate rental.
Plus, a slice of pizza and a small soda.

Skaterz will provide the following promotion for the event:

- Provide fliers to the school to hang up & fliers for each student.
- Provide Skaterz shirts for the staff to wear the day of the event.
- Provide "Skating Party Tonight" stickers for each student to wear.
- Put up a yard sign the day of the party highlighting the event.
- Give away attendance prizes.

Skate-A-Thon FUNdraisers

This is a FUN and HEALTHY way to earn money for your school! Students will receive a pledge sheet to go out and ask people to pledge money for them to skate. The student must collect a minimum of \$25 to skate and those who earn \$50 or more earn a t-shirt!

The Skate-A-Thon is 2 hours and is just like a field trip. There is a flat fee of \$5-7 per child entering the Skate-A-Thon and the rest of the proceeds goes directly to their school!

Skating Fitness Facts:

Roller skating is equivalent to jogging in terms of health benefits, calorie burning, reduction of body fat and leg strength development.

Just one hour of moderate roller skating (6mph) burns 330 calories for a 143lbs person. If that same person skates vigorously (10mph), they will burn up to 590 calories per hour!

According to a study at the University of Massachusetts, skating causes less than 50% of the impact shock to joints compared to running.

Skaterz Safety Facts

- Because our skating floors are free of debris and obstacles, safety gear at Skaterz is optional. Safely skating outdoors, on the other hand, requires use of protective gear such as wrist guards, knee and elbow pads and helmet, and an awareness of external hazards.

- Skating causes less than 50 percent of the impact shock to joint compared to running, according to a study at the University of Massachusetts.

- Skaterz provides adult supervision in a controlled environment, so parents can feel safe bringing the entire family or dropping off older children for a few hours of fun.

- During skating sessions, rink employees knowledgeable of first aid are on staff, which can not only prevent injury, but also treat an injury should one occur.

- Skaterz provides private and group skating lessons to teach skaters how to safely enjoy the sport.

Skaterz is a member of the Roller Skating Association International and conforms to their safety guidelines, which ensures a safe skating environment.

Take Advantage of Skaterz School Programs

Designed especially for your school!

P.E. Program

Skaterz will bring skating lessons to your P.E. classes!

There is a \$1.00 fee per student and we come to you! We also have scholarships available, to learn more about that give us a call anytime.

When you call us to have a skating P.E. class, we provide the following:

The coaches, the skates & the FUN straight to your school.

SKATERZ PRESENTS OUR NEW, UNIQUE, EDUCATION BASED FIELD TRIPS:

Roll with Motion!

The staff at Skaterz will be facilitating this field trip, so the teacher can be involved as much or as little as desired.

WE COMBINE THE EXCITEMENT OF SCIENCE WITH THE FUN AND HEALTH BENEFITS OF ROLLER SKATING!

Each grade will be educated about force, motion and more through great experiments and participation. This program is an exciting way to reintroduce students to motion and energy while making great addition to your existing curriculum.

We will have fun skating session games such as: "Newton" Canoe races, velocity wipeout, spring scale tug-o-war and more!

We make learning FUN!

SCHOOL PROGRAMS

Perfect Attendance Program

In the last four years our Perfect Attendance Program has become very popular. Our program rewards students for perfect attendance in each of the four quarters of the school year. Obviously attendance throughout the school year is very important, and we would like to reward the student and their family for understanding the importance as well.

If you would like to participate in the Perfect Attendance Program, please contact us and we will provide your school with as many passes you may need.

Honor Roll Program

Making the Honor Roll is a major achievement that students should be rewarded for; therefore we are proud to introduce our "Honor Roll" Program. Because we feel that making the honor roll is such a big deal, we want to reward those students with something more than just a free skating pass; students can upgrade their birthday party for free!

Please contact us to participate in the "Honor Roll" Program, and we will provide you with the necessary coupon for the students to receive their upgrade.

Doing the Right Thing Program

Over the years Skaterz has rewarded students with many different programs, but we always seemed to be missing a rewards program for the little things that students do that they should be rewarded for. Things like sharing, respecting others, and a positive attitude, so we have created a program where teachers can reward students for the little things that make a difference.

Please contact us if you would like to participate in the "Doing The Right Thing" Program, and we will drop off as many passes as you may need.

Read-N-Roll Program

In an effort to encourage children to read, Skaterz has developed their "Read-N-Roll" program. The skating pass attached is designed to reward students that meet their reading curriculum.

It is our hope that by collaborating with your school we can encourage students to enjoy reading and consequently read more often. If you would like to participate in our "Read-N-Roll" program please contact us and we will be happy to provide you with as many passes you may need.
